POP ARTIST

Decidedly unique but still undeniably luxurious, **Jewelry by Gauthier** has an exciting collection of Pop Art pieces that are sure to catch your eye. Wrap her finger in a black, green or red snake, a juicy-looking strawberry or other wildlife pieces. Prices by request. www.jewelrybygauthier.com.

HOPELESSLY DEVOTED TO YOU

*Whimsical, unique and slightly eerie, we are positively enamored by **Little Addictions**. The local studio specializes in mixed-media art dolls, spun-cotton figures and more addictive little buys. Each handcrafted piece is meticulously created by artist Elizabeth Howard with vintage and contemporary materials and looks to have been plucked from a storybook. Prices vary. www.littleaddictions.net*

LIQUID DREAMS

What is worse: using terrible hotel shampoos or downsizing your salon bottles into messy, cheapie bottles? Lucky us, **3Floz.com** has us more than covered. The e-tailer offers three ounces-or-less hair products, skin creams, first-aid items and just about any other high-end beauty product you can imagine for those who travel, those who are curious and those who don't like to commit. Prices vary. www.3floz.com.
